Regardless of your current level of expertise or years of service in the behavioral health field, keeping abreast of the new information being disseminated about psychotropic medications can be a daunting task. The sponsors of this workshop recognize the behavioral health professional's need to continue their educational development and are offering this workshop to assist in that process.

- WHEN:** June 19, 2008 June 20, 2008
- WHERE:** Santa Fe Community College Eastern NM University-Roswell  
6401 Richards Avenue 52 University Blvd.  
Santa Fe, NM 87508 Roswell, NM 88203  
505-428-1675 (575) 624-7250  
Main Bldg., Jemez I & 2 Campus Union Bldg., Multi-purpose Room 110
- DESCRIPTION:** The workshop will review the currently used psychotropic medications, their uses and limitations. Potential adverse reactions and medication interactions will be discussed. Participants will receive basic information about the method of action of the most commonly used classes and individual psychotropics and how the use of psychotropic medications can be coordinated with psychosocial interventions.
- REGISTRATION:** **Registration deadline is 6/1/08 for both workshops.** No registration fee. Space is limited. Pre-registration is required. Only registration by email or fax will be accepted. BHSD provider network will be given first priority.
- CEUs:** Approved under VONM's Provider #0091701 by the NM Counseling and Therapy Practice Board and the NM Board of Social Work Examiners for 5.0 contact hours. A CE application has been made with the NM Psychological Association. Participants must attend the full day to receive a certificate of completion. Late arrivals and/or early departures in excess of 15 minutes will affect the awarding of certificates.
