

*****Provider Alert*****

TO: SPN Providers
FROM: Robin A. Cunningham
Director, Consumer and Provider Relations
DATE: June 20, 2006

SUBJECT: Skills Training & Development – Group (STG)

I have been informed by the Department of State Health Services that service code H2014 with u7 modifier (group skill training under 17 only) will no longer be accepted. This change is effective immediately. Please bill your NorthSTAR patients with a service code H2014 (no modifier). Your reimbursement amount will remain unchanged.

The Provider Relations Department is presently reviewing contracts and will be sending amendments to any provider not currently contracted for the H2014 (no modifier).

Should you have any questions about the communication or STG services, please contact:
