CD PROVIDER SURVEY FOLLOW-UP

Instructions: Please use "1" for the issue that you believe makes the most impact on members not continuing CD services. Continue numbering through "6" for least impact. Complete this form now as we will take these up when we are discussing the Quality Improvement Project (QIP). Every meeting attendee should complete this form, regardless if there are multiple staff representatives from one agency. Thank you!

Please rank the following possible reasons that prevent members from continuing from CD Residential to CD Outpatient services?

- ___ Lack of transportation
- ___ Unstable, inadequate or lack of housing
- ___ Member perceptions / attitudes regarding treatment
- ___ Member attitudes / lack of understanding regarding their recovery
- ___ Lack of coordination between levels of care (residential and outpatient services)
- ___ Lack of family / support system that support recovery
